# Infographics social media content creation

Project Title	Infographics social media content creation
Summon	We are seeking a talented infographic designer and social media content creator who demonstrates an eye for creativity and a talent for translating complex topics into informative social media content and/or graphics.
Country	United States

#### **Project Description**

The candidate will work with the public affairs team to conceptualize visual storytelling through images, animation, and other multimedia to convey important information and messages to the public. This person will design infographics, write social media content and develop short blogs about the three National Forests in Florida, natural resources, wildlife, forest rules and policies.

### **Required Skills or Interests**

Skill(s)
Design thinking
Graphic design
Infographic design
Storytelling/blogging/vlogging
Writing

#### **Additional Information**

The National Forests in Florida has one public affairs officer, one intern and will soon have one new visitor information assistant (VIS) that will assist with social media content. Assisting with training our new VIS employee will be very helpful. We have a staff meeting once a week on Microsoft Teams to help keep everything on track.

## **Language Requirements**

None
